

ABOUT WORLD SERIES OF POKER ASIA-PACIFIC

The World Series of Poker Asia-Pacific (WSOP APAC) was established in 2012 by Caesars Interactive Entertainment and Crown Limited to bring the excitement and entertainment of the World Series of Poker to the Asia-Pacific region.

WSOP Asia-Pacific is the second live tournament brand extension internationally of the world's longest-running, richest and most prestigious gaming event, following the creation of WSOP Europe in 2007, now in its eighth year.

WSOP APAC returns to Melbourne for its only international stop of 2014 from **October 2-18, 2014** with 10 WSOP gold bracelets on the line, the most ever awarded outside the U.S. at one time, and the race for the 2014 WSOP Player of the Year still hanging in the balance.

With some brand new events planned and price points ranging from AUD\$1,100-\$25,000, players of all levels will be welcomed to Crown Melbourne, Australia's leading integrated resort, to partake in a high stakes poker festival featuring plenty of side events including satellites, cash games and tournaments in the expansive and comfortable 70-plus table Crown Poker Room.

WSOP APAC will include television production for the Main Event and High Roller events. ESPN in Australia and ESPN in the United States will carry both events live (one-hour delay for integrity purposes) on October 17 and 18 in Australia. This expansive television distribution marks the first time ever a poker tournament will air the same day it occurred on Australian television. The live television window includes 6-8 hours of coverage a day, meaning nearly every hand of the Final Table of each the Main Event and High Roller will be seen by viewers around the globe.

The Inaugural *World Series of Poker Asia-Pacific (WSOP APAC)* took place **April 4-15, 2013** in Melbourne, Australia at the Crown Entertainment Complex, site of the successful Aussie Millions poker tournament.
