

WSOP ANNOUNCES 2017-18 WSOP INTERNATIONAL CIRCUIT SCHEDULE

Tour Begins in August; 11 Different Countries on Tap

LAS VEGAS – July 12, 2017 – The WSOP International Circuit continues to build momentum and will host a record number of stops as part of its 2017-18 schedule. There are already 13 confirmed stops lined up, with additional stops expected to be added to the 2018 portion of the calendar.

The 2017-18 WSOP International Circuit schedule gets underway this year in August with stops in both Holland and Argentina. The International circuit will continue every month after that through its conclusion in May, 2018.

Like the U.S. domestic circuit, the International track will feature two qualifiers per stop for the *WSOP Global Casino Championship*. A Main Event winner and the Casino Champion will each win automatic entry into the season-culminating event, in addition to the gold WSOP Circuit ring and prize money from that event. The International and U.S. tours collide in the season-culminating Global Casino Championship in the summer of 2018. There are no “at-large” qualifications on the International stops, and the International portion is expected to contribute 34 qualifiers to the Global Casino Championship.

International stop players have two ways to qualify for the 2017-18 Global Casino Championship (1.) win a Circuit Main Event (2.) win a “Casino Championship,” which is defined as the player at each stop who accumulates the most points throughout the gold ring schedule at the international stop. Each of these players will receive a “free roll” seat into the culminating event and be combined with the U.S. Domestic circuit qualifiers, which includes 50 at large point qualifiers, plus the up to 52 qualifiers that garner a seat via automatic qualification methods.

“Our partner casinos have done a terrific job bringing the WSOP brand and experience to their properties,” said WSOP Director Gregory Chochon, who leads the WSOP’s international efforts. “The WSOP International Circuit is here to stay and we look forward to continually improving the experience and prize pools for the players.”

The entire schedule for the [WSOP International Circuit](#) is as follows:

The timing, number and location of events are subject to change and all applicable gaming regulations.

ABOUT THE WSOP CIRCUIT

The World Series of Poker (WSOP) Circuit Events are a series of poker tournaments hosted throughout the United States and throughout the world beginning in early August each year, and culminating the following Summer with a \$1,000,000 Global Casino Championship where the victor earns a WSOP gold bracelet as well. WSOP Circuit Events are designed to give the recreational and amateur player an opportunity to participate in the WSOP experience at a more affordable price point and with less of a time commitment than the traditional WSOP in Las Vegas. Each stop typically features 12 official events in 12 days, including a \$1,675 buy-in No-Limit Hold'em Main Event. Official WSOP Circuit events range in buy-in from \$365-\$5,300 and award a prestigious WSOP gold ring to each victor. These poker tournaments are designed to reach a winner within two playing days, with some events even structured to complete in one day. In 2017-18, the WSOP Circuit domestic season consists of 26 stops all tied together by a cumulative points system that awards points based on finish in individual events. A season-ending *WSOP Global Casino Championship* is held each summer. The winner of each stop's Main Event (the only four-day structured event) gains automatic entry into the season-ending WSOP Global Casino Championship, as does each stop's Casino Champion – the person who accumulates the most points throughout the 12 official events at a stop. Two players at each stop earn automatic entries into the season-ending championship, with the remaining players being made up of at large qualifiers whom have accumulated the most points throughout the Circuit season. Players who finish within the top ten percent of the field are typically awarded prize money on an escalating scale until there is one player who has captured all the chips. That victor wins the largest share of the prize pool, a WSOP Circuit gold ring and points toward the Global Casino Championship qualification. The WSOP Circuit Events are a regional and international offshoot of the longest-running, largest, richest and most prestigious gaming event in the world, dating back 47 years to 1970 – the famous World Series of Poker. This marks the fourteenth year the WSOP Circuit Events have been held. They were initially established by Caesars Entertainment (then Harrah's Entertainment) after its purchase of the WSOP brand in 2004 as a way to bring the WSOP experience to Caesars-owned properties throughout the U.S. In the inaugural season (2004-05), the WSOP Circuit featured five stops – Atlantic City, Lake Tahoe, Las Vegas, San Diego and New Orleans. Now, with 26 stops domestically, the WSOP Circuit visits 12 U.S. states and cumulatively features more entrants than the Las Vegas version of the WSOP. Caesars Interactive Entertainment, Inc., (CIE) owns the WSOP and the WSOP Circuit Events. Visit us at <http://www.wsop.com/2017/Circuit/> or www.twitter.com/wsop
