DANNY GRIFFITH TAKES HOME 2ND GOLD RING

Second gold ring marks decade-long gap for periodical poker play.

Danny Griffith took to the World Series of Poker Circuit at IP Biloxi and rushed to a victory in Event #3: \$365 No-Limit Hold'em Turbo (1 Re-Entry). Griffith bested an 84-entrant field to secure his second career gold ring.

It was almost a decade to the day since Griffith's recorded his first Circuit title. "It's been a long time. It's been ten years, I think this month; ten years since I won the last one," Griffith stated. His debut gold ring came in Event #3 at the Grand Casino Tunica stop in 2007.

The father of two from Little Rock, Arkansas has been casually playing tournament poker for around 20 years, but has been sighted on the Circuit radar more frequently in the recent years.

"I'm getting older now so I can get to where I can travel a little bit more," said Griffith. "I've got two businesses I've got to run and my son's getting older. He can kind of run one of them now."

It was a quick, but fruitful stop for Griffith. After taking down the one-day, turbo tournament, the business, and family man assured that he would be on his way home come morning. Tokens from Griffith's trip include \$8,063 and another piece of golden hardware to add to his collection.
