Soukha Kachittavong Wins Second Circuit Ring of the Series

Kachittavong gave himself a second ring and \$14,898 for this birthday

Soukha Kachittavong has defeated a field of 191 entries to take home his second World Series of Poker Circuit (WSOPC) ring, and \$14,898.

Not only did Kachittavong secure a second ring today, but he won his second ring in the same series. Just four days ago, Kachittavong took down Event #8 (\$365 No-Limit Hold'em) for \$14,274.

“It was my birthday yesterday,” Kachittavong said after his win. “I was disappointed with myself for playing two bullets in the Main and not making day 2, but this is a nice consolation prize.”

After his first win, Kachittavong said that he had a ring prop-bet for this series and that a friend laid him 7:1.

“I only had one prop bet. I was feeling confident, but I wasn’t feeling *that* confident,” he concluded with a smile.
