### MARCIN MILDE TAKES DOWN THE OPENING EVENT AT PLANET HOLLYWOOD

*British poker pro wins his first WSOP Circuit ring in Las Vegas*

United Kingdom's Marcin Milde finished as the Day 1B chip leader and built his stack up to lead the final table by the end of Day 2. He carried this over to Day 3 and finished the job. James Fondren put up a big fight, with a heads-up match that went on for a few hours before Milde finally sealed the deal.

Milde has taken down a major online tournament for six figures and now has a WSOP title to add to his poker accomplishments. The Brit and his supportive rail are in Las Vegas for two months, so it won't be a surprise to see him taking a shot at a second ring this week.
