Arkadiy Tsinis Wins Second Circuit Ring in Three Days

WSOP bracelet winner wins third Circuit ring at Planet Hollywood in Las Vegas

Arkadiy Tsinis has done it again, winning his second ring in three days after winning the Tag Team event with his partner Daniel Mogavero. He has just won Event #6 \$365 No-Limit Hold'em, topping 219 entries over two days for \$16,426.

Tsinis began the day with a top five stack and came in to the final table second in chips. He went on to get himself heads-up, still second in chips by a small margin. He eventually doubled up with two pair and the rest is history. "I want seven more. One for each finger" laughed Tsinis. The newly-crowned three-time champion now has a WSOP gold bracelet and three gold rings in his collection.

The Ukrainian-born professional gambler says he is one of the best backgammon players in the world, and was previously a financial analyst before making poker his career.
