### Bryan Devonshire Wins Third Ring in H.O.R.S.E. Event

*Pro poker player wins third Circuit ring and crosses \$2.5M in lifetime earnings*

Bryan Devonshire has added a third World Series of Poker Circuit ring to his collection after taking down the H.O.R.S.E. event for \$11,508. The professional gambler laughed and said "I've basically been retired" as he confirmed this is his first cash of 2017. It is also his first win since 2012, and he thoroughly enjoyed it with a drink in hand.

The three-time champion says he's been living in a camper and enjoying life, and was previously a Raft guide before turning to poker on a full-time basis.

This win puts Devonshire's all-time career earnings over \$2.5 million, and makes this his 10<sup>th</sup> recorded win. He has wins across the United States as well as in Canada and Europe.
