### Michael Youngman Wins Monster Stack

*Youngman earns his first Circuit ring and the largest live cash of his career.*

Michael Youngman won the Monster Stack event at the Planet Hollywood WSOP Circuit. It's the first WSOP Circuit ring of his career, and he earns \$25,130 for the victory.

"I feel really good," Youngman said after the event. "I'm a little shocked, to be honest. I wasn't expecting this." He went on to explain that he was close to elimination with several players remaining. "I was down pretty short halfway through the final table, to about four big blinds. I came back and ran it up."

The comeback is even more impressive considering Youngman's competition. "It was a loaded [final] table," he said. "There were two former WSOP Main Event final tablists [Joseph Cheong and Bryan Piccioli] and a bunch of other tough players." Piccioli ended up finishing in seventh place, and Cheong was eliminated next in sixth.
