**"No Chop" Earns First Circuit Ring  
Al Theriac wins the final event at Bossier City.**

**Bossier City, LA (November 18, 2013)** – The final event at the Horseshoe Bossier City is always full of action. The \$365 No-Limit Hold 'em Turbo induces fast play and lots of decisions. Some might even say that a turbo event is a young man's game.

Don't tell Al Theriac that though. In the last ring event of the series, the 74-year old from right across the Red River in Shreveport, LA outlasted all the young guns to earn his first Circuit ring.

A total of 96 players filed into the Horseshoe Bossier City tournament area for an early 11am start time to take their shot at one last Circuit ring in the \$365 N-Limit Hold 'em Turbo. It took less than 12 hours for the entire event to wrap up and that included the dinner break the players took.

When the dust settled, Theriac came out victorious. For his win, he takes home \$8,638 and his first Circuit ring.

"This is great winning this in my hometown," Theriac said. "It means a lot to me." Theriac is one of several hometown players to succeed this series, including Event 1 winner Keith Lehr and the Main Event champ Thom Creel of Monroe, LA.

This was the third overall cash for Theriac at the Horseshoe Bossier City Circuit series. He could not have scripted a better ending.

*Final table results were as follows:*

1st – ALFRED THERIAC SHREVEPORT, LA \$8,638  
2nd – ROBERT IRBY FORNEY, TX \$5,340
