FRANCIS WITEK WINS FIRST CIRCUIT RING IN EVENT 11

Witek has been chasing the dream since 2008 and finally won his first tournament

The final preliminary ring event is in the books with Francis 'Andy' Witek taking down Event #11 \$365 No-Limit Hold'em for \$11,005. He clawed his way into the lead to take down the start-of-final table chip leader Shawn Lawrence in a lengthy heads-up battle.

Witek has played a number of tournaments in his lifetime and boasts three cashes in the World Series of Poker Main Event. He had yet to win a tournament but today was his day. The Nevada City, California resident is a recreational player who got into poker playing five-card draw and lowball when he was younger. The newly crowned champion plans on playing the Main Event tomorrow to chase ring number two.
