BOB MATHER WINS FIRST CIRCUIT RING IN HIS FAVORITE POKER ROOM IN NORTH AMERICA

CEO and Private Investigator earns his first Circuit ring at Thunder Valley

Bob Mather is a familiar face among the many players that pass through the poker room at Thunder Valley, clearly a fan favorite. He managed to win himself a ring and \$14,355 for his biggest tournament win to date, bringing his overall earnings over \$400,000. His biggest overall cash totals \$28,000.

"It feels great. It is truly off the bucket list to get a ring. Bracelet's next, which would be a dream come true. And it's extra special in literally my favorite casino in North America with just the best staff" said a proud Mather.

When asked about his profession as a CEO and Private Investigator and applying his skills to poker he said, "This is a hobby. Everything helps, but it's hours on the table. I spend a lot of hours playing and then it comes down to 20 percent, 30 percent luck." Mather explained that he got into poker during the "online craze" and has put a lot of work into his game. He is clearly relieved to book this win and move on to the next item on his poker bucket list.
