NICK KOLIASTASIS WINS 1ST CIRCUIT RING IN EVENT 3

76-year-old poker player from Greece books his biggest win

Nick Koliastasis has taken down Event #3 at Hard Rock Tulsa for \$20,018, booking his biggest career win. This may have been his biggest win, but it was also his 12th, making him no stranger to the tournament scene. When asked what his secret was, Koliastasis smiled and said, "I'm too old. I have a little experience!"

Coming into the final table, Koliastasis was in the middle of pack but he spun his way to the top. Koliastasis said he didn't have a set plan. "Just play like everybody else and just get lucky. I started to play the players - that's all!" exclaimed Koliastasis. The newly-crowned champ plans on playing everything this week with the hopes of snagging a second ring.
