CURTIS TERRY WINS SECOND CIRCUIT RING IN EVENT 4

Car salesman dug deep to pull off his second Circuit win

Curtis Terry was overcome with emotion after winning Event 4 for his biggest career cash worth \$46,905 and his second World Series of Poker Circuit ring.

"It feels awesome. I had to dig deep." Terry certainly did that, coming back from being second-last in chips at the start of the final table. "I just really started focusing because I really wanted it. I've won before, but I just really wanted this one."

Terry is a car salesman and plays poker as a hobby, but that doesn't stop him from wanting to book a win. "I'm just glad and thankful to God that I finally pulled this one off."
