GOLD RING NUMBER TWO FOR JASTHI KUMAR

Jasthi Kumar goes back-to-back in Event #9 at Harveys Lake Tahoe.

Jasthi Kumar seized his second World Series of Poker gold ring on Friday. The IT Professional, originally from India, achieved back-to-back victories in Event #9 at the Harveys Lake Tahoe Circuit.

This season, Kumar topped a field of 181 entrants in the \$600 buy-in tournament to win \$24,238. Last year, the buy in was \$580, but Kumar won a bit more money, \$28,502, on account of conquering a larger field of 228 entrants.

“I feel really great. When I made it to the final table I thought ‘ok, I’ve got a good chance to make it back-to-back this time,’” said Kumar. “I was second in chips... I had confidence that I could do it this time again.”

Going into the final day, Kumar sat second in chips, only trailing Mack Ham who had a massive chip lead. Kumar chipped up during Day 2 and eventually faced off with Ham for the Circuit gold ring.

In the end, Kumar could not be stopped in his title defense. The California residence now lays claim to two gold rings, right around \$340,000 in WSOP earnings, and 21 WSOP cashes.
