Personal Facts: Hennigan earned his famous "Johnny World" nickname from fellow gamblers who claimed he'd bet on anything in the world. However, he hasn't always won all his bets, as in a prop bet he made several decades ago that he couldn't spend six weeks in then casino-free Des Moines, Iowa. Once there, and starved for gambling action, he quickly accepted the loss and bought out of the wager while returning to Las Vegas. While excellent at most forms of poker, Hennigan has long been recognized as one of the world's best seven-card stud players.
