CURTIS TERRY WINS HIS 3RD CIRCUIT RING IN EVENT 4

Circuit regular wins his 3rd career WSOP Circuit ring on his home turf

Curtis Terry topped a stacked field of 200 entries to win his 3rd career World Series of Poker Circuit ring, earning himself \$26,780. "It feels absolutely unbelievable" smiled Terry. He won this tournament on his home turf in Louisiana and plans to play in the 50th World Series of Poker in Las Vegas later this summer.

When asked about his laser-sharp focus in this event, Terry believes his tough opponents are his motivation. "Honestly my mindset is in the challenge. I'm going up against players who are a lot younger than me – a lot of them. It makes me wanna try harder. It just motivates me to stay more focused and just do what I can do to take it down." Terry plans on taking this momentum and dominating the rest of the week here in New Orleans.
