### LANCE WILLIAMS TAKES DOWN THE MONSTER STACK

*Engineer from Berwick, LA plays and wins his first tournament in 8 years*

Topping a field of 546 entries and a prize pool of \$180,180, Lance Williams is the winner of the Monster Stack. "I used to play Full Tilt online, and I haven't played much since then. This is my first live tournament in about eight years." This was certainly a nice welcome back to poker for Williams, as he booked his biggest live win for \$37,835 and multiplied his lifetime earnings by more than seven times.

"It's been great. The hospitality has been good and it's been a great tournament," said Williams. Now that he has come back to the game with a bang, Williams plans to play more poker and possibly take his shot in Las Vegas this summer at the 50<sup>th</sup> annual World Series of Poker.
