### **CORD GARCIA WINS THIRD CIRCUIT RING IN EVENT #8**

*He collects \$13,098 for his win*

Cord Garcia just picked up his third Circuit ring by taking down Event #8: \$600 No-Limit Hold'em Turbo for \$13,098. Garcia now has one WSOP bracelet and three Circuit rings in his collection.

The tournament brought in 84 entries and took 25 levels to complete. Garcia started the final table as the chip leader but he lost the lead the very first hand.

"I doubled somebody up the first hand of the final table so I went back into top four. But then a couple of shorties busted and I got lucky once. It went pretty smooth," Garcia said after his win.

Garcia defeated Scott Roberts heads-up for the title. Roberts had just won his second Circuit ring in Event #4: \$400 No-Limit Hold'em a couple of days ago and he was going for his third ring as well. Both players had close stacks but Garcia doubled up with ace-nine suited against Roberts' ace-five and it was all over a few hands later.

Garcia is not wasting any time. In fact, he's going straight to take a seat in the High Roller, in search of another title.

"I'm about to register the \$2,200 right now. I'm going to literally get the money and register instantly,"
