### STEPHEN FOUTTY WINS ANOTHER RING IN LAKE TAHOE

*Foutty wins fifth WSOP Circuit ring and second of the week in Event #11*

Another day, another win for Stephen Foutty. This time it was in Event #11 for 14,104, his fifth career World Series of Poker Circuit ring and second of the week. Foutty defeated Tim Enterline heads up for the title, and took over the Casino Champion race by a small margin.

"It feels good. I jumped in late in level seven - I was actually sleeping in my room. I wasn't going to play this. I was just gonna save my energy for tomorrow, and then I realized I was in the points race and I said I gotta at least try. So I came down in the seventh level and here I am," explained Foutty.

Foutty knew he would take over the points race with a win, and navigated there on his own terms. "I pretty much just small balled my way to the win. I didn't take any high variance spots."
