### **William Watson Takes Home Third WSOP Circuit Gold Ring in Horseshoe, Southern Indiana**

*William Watson tops 192 player field in \$400 No-Limit Hold'em*

William Watson has come out on top of 192 player field in Event #1: \$400 No-Limit Hold'em at Horseshoe Casino in Southern Indiana. He took home the first-place prize of \$15,776 50 points towards the 2020 Global Casino Championship and his third World Series of Poker Circuit gold ring.

Watson had come to the final table second in chips with 515,000 (52 bb), only behind Michael M. Esquivel who had 589,000 (59 bb) and slightly ahead of the runner up John Hatfield having 503,000 (50 bb) in chips.

The final table started off in Watson's favor as he gained a massive chip-lead rather quickly and his rail was getting louder by the minute. Even having such a chip advantage Watson stayed humble saying, "I never thought I was going to win." Although his rail thought the opposite, "We all thought you were definitely going to win!" His friend yelled.

Shortly after Watson had gotten heads up, he had lost the chip lead, and found himself short-stacked. Not losing faith he eventually found a double up when his pocket tens got called preflop and he held to get him almost even stacked with his opponent Hatfield.

After that double up Watson never looked back as his chip-stack kept growing until he eventually won all of the chips, earning himself the ring and the cash.

This win is a great start to the series for him, and he is hoping we will be seeing more of

him at the final table throughout. "I am going to play everything," Watson explained, "I am a normal Circuit grinder."
