## Aaron Gamino Takes Home First WSOP Circuit Gold Ring at Horseshoe Casino, Southern Indiana

*Aaron Gamino tops 825 player field in $400 No-Limit Hold'em*

Aaron Gamino has come out on top of the 825 player field in Event #2: $400 No-Limit Hold'em at Horseshoe Casino in Southern Indiana. He took home the first-place prize of $48,320, 50 points towards the 2020 Global Casino Championship and his first World Series of Poker Circuit gold ring.

Gamino came into Day 2 13th in chips of the remaining 68 players with a stack of 294,500 (49 bb), and managed to keep building throughout the day coming to the unofficial final table with a dominating chip lead, reaching 2,705,000 (68 bb).

"It was pretty much smooth sailing throughout the day," Gamino explained, "when we got to the final table I took a flip against bracelet winner Alan Percal, because he was on my left and is actually really good."

Gamino got to heads up with Gregory Masters still holding a massive chiplead, and after some back and forth action, Masters eventually fell short when he got it all-in preflop agianst Gamino's ace-high and couldn't connect, giving Gamino the victory.

Being at the final table is not unusual for Gamino, and we can expect to see him in more events throughout this series.
