### **Ricky Doyle Takes Home First WSOP Circuit Gold Ring at Horseshoe Casino, Southern Indiana**

*Ricky Doyle tops 485 player field in \$250 Double Stack No-Limit Hold'em*

Ricky Doyle has come out on top of the 485 player field in Event #3: \$250 Double Stack No-Limit Hold'em at Horseshoe Casino in Southern Indiana. He took home the first-place prize of \$19,447, 50 points towards the 2020 Global Casino Championship and his first World Series of Poker Circuit gold ring.

This one-day tournament was a true grind, with play continuing for a little over 18 hours and Doyle didn't let the length wear him down. "I was a little tired but I was just lucky as hell," He said with a chuckle.

Doyle came to the final table as one of the shortest stacks with only 11 big blinds, but after a couple hours of things going right, he had the chiplead with only 5 players remaining. "I was catching and hitting a lot at the final table." He explained.

When there were only three players remaining Doyle had more than 60% of the chips in play and it didn't take long before Eric Beck was eliminated in third place by Doyle, giving him an even bigger lead.

Daniel Cook was Doyle's heads up opponent and had quite the uphill battle. Cook had more than doubled up since heads up began but eventually fell short when his pocket tens couldn't hold against Doyle's Ace-King after all of the chips went in the middle preflop, sending him to the payout cage in second place.

Doyle prefers tournaments but does play cash games occasionally and says he wishes he could play more often but work gets in the way. When asked if he's going to play anything else during the Horseshoe series he replied excitedly, "I just might play the big one now."
