Matthew Dunn tops 160 player field in \$400 No-Limit Hold'em 6-Handed

Matthew Dunn has come out on top of the 160 player field in Event #4: \$400 No-Limit Hold'em 6-Handed at Horseshoe Casino in Southern Indiana. He took home the first-place prize of \$13,828, 50 points towards the 2020 Global Casino Championship and his first World Series of Poker Circuit gold ring.

When Dunn made it to the final table he was the second lowest in chips with 246,500 but he maintained his patience and stayed positive throughout. The day finished with just two players remaining, Renee Gibbon had bagged 1,450,000 and Dunn was the shorter stack with 950,000. He didn't let his stack affect his game though, "I definitely thought I was going to win. Got to have confidence in this game," He said.

The heads-up match went on for about two hours and was not an easy one he explained, "It was a battle really, I was short, then she was short and back and forth. I just kept my cool and grinded."

Family man Matthew Dunn plays professionally but is unsure of future plans for the Horseshoe Casino series, "I am not sure yet, we extended our stay a couple more days, but I have two young kids waiting on me at home." He explained.
