### RAY LANGSTON WINS EVENT #2 AT CHEROKEE

*Businessman from Ft. Payne wins books his biggest career cash in North Carolina*

After two long days of poker, and a lengthy heads-up match, Ray Langston is victorious in Event #2: \$400 No-Limit Hold'em for \$96,921 and his first ever tournament win. "Oh man, it's great! I've been playing about eight years at the WSOP in Tunica and here (Cherokee) – the only two stops I go to. This is the second final table I've made," explained Langston.

This win increases Langston's overall earnings by more than four times, and is his first World Series of Poker Circuit ring. "Other than having grand kids, this is probably number one," smiled Langston.

With just a handful of cashes, Langston has been practicing with friends and it has certainly paid off. "What helped me lately is to quit playing small, home game tournaments. I started playing at a friend of mine's tournaments, and it's for bigger money with better players, and you're just not getting in there with the same small hands."
