### **SAM CYNAMON WINS THE TURBO EVENT AT CHEROKEE**

*Salesman from North Carolina notches his biggest career cash and first tournament win*

After a 12-hour grind, Sam Cynamon is the latest winner at Harrah's Cherokee, taking down Event #3: \$400 No-Limit Hold'em with \$100,000 guaranteed. He topped a field of 552 entries, earning \$35,304, his biggest career cash and just his second live recorded result.

"Oh my God, it's amazing. It's a lot of fun. I do dream about winning tournaments like this," smiled a proud Cynamon. The newly crowned champion has been playing poker for the better part of 20 years, mostly playing recreationally. "We have a weekly house game that we play. We play two-table tournaments, but to win this is fun."

"After all the bad beats I've taken in my lifetime, I think it paid off finally, and it just went my way tonight," laughed Cynamon. As for the money, he plans on sharing the wealth when he gets home. "My wife will have a little bit of say into that, but for the most part it'll be well spent."
