HERB KARP WINS 1st CIRCUIT RING AT THE BIKE

Retiree from Los Angeles crosses \$100K in lifetime earnings after this win

Herbert Karp has just taken down Event #5: \$250 No-Limit Hold'em for \$11,290 and his first ever World Series of Poker Circuit ring. He topped a field of 250 entries and crossed \$100,000 in career earnings. "It feels great. How much is this (ring) worth – can I sell it?" joked Karp.

When talking about his poker accomplishments, Karp proudly cashed the World Series of Poker Main Event in 2019 after playing it for the very first time. "I doubled my money. It was great!" While winning a ring is clearly a proud moment for Karp, he was beaming with pride when talking about his Main Event cash.

Karp is a retiree and grinds poker now. "I've loved poker since I was 11 years old playing with my friends for nickels. I was turned on to this by a former client of mine online and I just fell instantly in love with the game. My wife plays also," smiled Karp.
