DAVID VALONE WINS 3RD WSOP CIRCUIT RING AT TURNING STONE

Cancer survivor and college professor books his biggest career cash in Event 13

David Valone was all smiles after topping a field of 322 runners to win his third World Series of Poker Circuit ring and earn his biggest career cash in Event #13: \$400 No-Limit Hold'em. Valone won his first two Circuit rings in Seniors events, and his wife has a Seniors ring of her own as well.

Valone survived stage 4 cancer and decided to focus more on poker to do what he loves. "I went on a little streak when I was going through chemo, so I took that money and I rolled it." He is also a college professor and teaches a poker course. "I can't wait to tell my students about this!" smiled Valone. The three-time champion now hopes to take the show on the road and take his shot at a WSOP gold bracelet. For now he's going to enjoy his big win.
