ALBERT PETERLIN WINS 1ST WSOP CIRCUIT RING AT HARRAH'S CHEROKEE

Albert Peterlin turbo'd his way to first Circuit ring.

Albert Peterlin struck gold for the first time as he laid waste to his opponents in one of the final turbo events at Harrah's Cherokee.

Peterlin topped a field of 396 entrants to win the \$26,744 top-prize in Event #13: \$400 No-Limit Hold'em Turbo, which took nearly 11 hours to complete.

"I'm ecstatic," Peterlin said with excitement after his win, "Without any exaggeration, this is honestly a dream come true."

Peterlin has been learning tournament style poker and it seems to be paying off as he was able to walk away a winner with his first WSOP along with an automatic bid to the Tournament of Champions.
