ROBERT REED WINS 2ND WSOP CIRCUIT RING AT CHEROKEE

General contractor wins another ring at the same stop over five years later

After two days of play it's Cincinnati's Robert Reed who took down Event #14: \$600 No-Limit Hold'em for \$51,869, a seat into the Tournament of Champions and his second career World Series of Poker Circuit ring.

"I grew up just playing in card rooms and pool halls," said Reed. The recreational card player plays a lot of poker but is also a general contractor by day. This cash brings his WSOP earnings to over six figures now, with two pieces of jewelry to highlight his success.

In terms of future goals, Reed simply wants to keep on playing the game he loves. "Just keep grinding steadily up. I've just been trying to grind it up," smiled the two-time Circuit champion.
