DANNY MILES TAKES HOME FIRST CIRCUIT RING AT HORSESHOE TUNICA

Miles earns \$19,230 after defeating field of 260 players.

Event #8: \$400 No-Limit Hold'em attracted a total of 260 entries, generating a prize pool of \$85,800. With this victory he has earned \$19,230 and a seat into the \$1,000,000 Prize Pool 'Tournament of Champions' in Las Vegas.

"It's super!" Miles excitedly explained, "I've been wanting to do this for years and it finally came around."

It was the classic 'chip and a chair' scenario as Miles found himself extremely short-stacked at the final table with just 22,000. "Next thing I know I've doubled up a couple of times and I was back in the game."

Miles says he is one hundred percent going to be playing the \$400 Monster Stack on Wednesday that starts at 11:00 a.m. and has a \$100,000 guaranteed prize pool and will be looking to capture his second ring at the Horseshoe Casino in Tunica.
