### Reggie Tynes Wins WSOP Circuit Ring on a Whim

*Reggie Tynes is the newest WSOP Circuit Event Winner*

Reggie Tynes took down Event #2 shortly before the players were supposed to bag for Day 2. Tynes says he took the day off work on a whim to come play satellites, but ended up jumping into Event #2 and he ended up winning first place after a three-year poker hiatus.

"I just had better things to do with my money," Tynes said.

The 51-year-old Aircraft Mechanic says that playing at the WSOP is a bucket list item for him.

As he was celebrating his first WSOP circuit win, a few onlookers offered him congratulatory fist bumps.

"That's great man, really great," said the two gentlemen who approached him.

They then decide to share a bad beat story with the most recent circuit event winner.
