Daily Turbo Mega Satellites will award seats into that days Ring Event.

The Main Event (Event #10) is a 4 day Event. Main Event players can buy-in whenever they wish but have a maximum of 4 entries, so they can buy-in twice in the same flight if they wish. We will play through Round 12 for both time starts and all remaining players from each day will return for Day 3. Day 3 will play down to the Final 10 players or through the end of Level 21 and those players will return on Day 4.

All Events that are 2 day events will return at 2pm on Day 2. All numbered events will offer Re-entry through the end of the registration period.

All "Nightly Tournaments", 9/26 - 10/2, will add a seat into the following days event. If there are 2 events scheduled on the following day, the winner will have the option to choose which event they would like to play. These seats are transferrable.

The Nightly Tournaments will all feature a \$20 Add-On before you play your first hand of the tournament. Players will receive an additional \$2,000 in Tournament chips. These Tournaments will offer re-entry for the first 2 hours of play.

The winner of the \$1,700 buy-in at the WSOP Circuit Event Championship wins an automatic entry into the \$1 Million National Championship at the 2020 World Series of Poker. (Details available at counter)
