Important Rules

- Tournament begin at pre-determined times and seat assignment is random
- All times are Pacific Time
- The button is determined by the high card and 1 up-card is dealt to players
- The tournament is complete when a single player has won all the chips that are in play
- Players who lose all of their chips are out of the tournament unless re-buys are allowed
- If two or more players are defeated in the same hand then the player with the larger amount of chips will be at a higher standing
- When there are 2 players remaining, the button will open with the small blind and be the first to act. There are unlimited permissible raises.
- Players may be moved from one table to another in order to balance a Multi Table Tournament (MTT)
- Players and observers cannot discuss the hands until they are over
- Standard rules of poker tournaments also apply
- If there is a chat function, players must use it respectfully
- Players must follow all online poker room regulations and rules when playing
- All WSOP.com terms and conditions apply
